BURUNDI
•
RYAMUKONA NATURAL

Single Origin

The Izuba washing station is located in Kayanza province of Burundi. This red bourbon varietal is grown and picked at 1500 – 1700 masl on the local hill, 'Ryamukona' and the ripe cherry is dried for an average of 30 days.

65g per litre for filter styles and 1:2.5 brew ratio for espresso. We use 21g in and 50g out on our Sanremo Café Racer with 20g IMS baskets.

Soft strawberry acidity is followed by syrupy sweet papaya and elderflower tones.
