KININI KABUYE

The Kinini washing station is situated in the north of Rwanda, in the Rulindo district. The mill caters for 633 smallholder farmers that grow Bourbon varieties at 1850 – 2100 masl. This Kabuye lot is washed process.

65g per litre for filter styles and 1:2.2 brew ratio for espresso. We use 21g in and 45g out in 28 seconds with 20g IMS baskets with a Mythos 1.

Bright and juicy pink grapefruit and orange dominates the cup, with smooth sweet undertones of dandelion and burdock.
