LOS PAPALAS NATURAL

The López family have been producing coffee for over 100 years. Finca Los Papales is 297 Ha and is situated in the North, near Jinotega. This lot is a Pacamara varietal grown at 1688 masl, after being picked it is dried on raised beds until the moisture content hits 11%.

60g per litre for filter styles and 1:2 brew ratio for espresso. We use 18 in and 36g out.

The cup opens up with zingy passion fruit, followed by ripe strawberry sweetness and tropical hops.
