**BURUNDI**  
•  
**KIGERI NATURAL**

The Izuba washing station is located in Kayanza province of Burundi. This red bourbon varietal is grown and picked at 1500 – 1700 masl on the local hill, 'Kigeri' and the ripe cherry is dried for an average of 30 days.

65g per litre for filter styles and 1:2 brew ratio for espresso. We use 17.5g in for 35g out.

Bright chamomile notes are followed by sweet lemon and apricot.
