COFFEE
ROASTERS

This coffee is a natural process from the SIPRO cooperative. Comprising of Mundo Novo and Caturra varieties grown at 1500 – 1750 masl, this coffee is from the region of Chiapas and produced by 8 budding farmers.

60g per litre for filter styles and 1:2 brew ratio for espresso. We use 18 in and 36g out.

Expect a fruits of the forest acidity followed by comforting, sweet baked crumble notes.
